

Georgia Preceptor Tax Incentive Program

Beginning in 2019, a tax credit was created for uncompensated community based faculty who teach/train our state's DO, MD, ARPN, and PA students

Each Preceptor must have a minimum of 160 hours to qualify for the credit (if you split with partners, each will need 160 hours)...

More students, more rotations, more credit!!!

- 6 week rotation = 240 hours per student
- 4 week rotation = 160 hours per student
- 3 week rotation = 120 hours per student
- 2 week rotation = 80 hours per student

Step 1: Be a licensed DO, MD, ARPN, and PA in GA

Step 2: Agree to teach medical, osteopathic, ARPN, and/or PA students from a Georgia Academic Program

Step 3: Work with our eligible programs to negotiate how many students you will take, during what rotations, and for how long.

Step 4: Register as a Preceptor at www.augusta.edu/ahec/ptip. If you are registering for the first time, you must do so by 12/31 to receive the credit. This is a onetime registration. No need to reregister each year unless your contact information changes.

Step 5: Begin earning tax credits!
